

2017 Midlands Area Consortium for the Homeless Committee Registration

Advocacy Committee

The Advocacy Committee develops a policy agenda and initiates responses to emerging issues. This Committee oversees education and awareness activities such as promotion of the annual Hunger and Homelessness Awareness Week. This Committee also provides oversight for media and communications efforts of the Coalition.

Data & Evaluation Committee

The Data & Evaluation Committee reviews procedures for evaluating HUD funded grantees and develops a ranking and vetting criteria for applicants in the annual HUD application. This Committee also provides oversight for research efforts and guidance on the use of HMIS.

Membership & Training Committee

The Membership & Training Committee implements strategies to increase Coalition membership and develop local “chapters” to serve rural areas. This Committee also develops training opportunities for Coalition members.

Policy Committee

The Policy Committee reviews policies to ensure that the Coalition and funded programs are in compliance with HUD guidelines. The Committee also reviews procedures for the annual Point-In-Time count and provides direction around Coordinated Entry.

Youth In Transition

The Youth In Transition Committee explores the needs of homeless youth throughout the continuum. The committee focuses on young people, age 17 to 24, who are homeless or vulnerable to homelessness or are at risk for other poor outcomes due to a lack of social and financial support. This includes youth transitioning out of foster care or juvenile/adult justice; runaway youth; unaccompanied youth or other youth who fall through the cracks.
